A Special Thanks!

A special thanks to the DCA Show Committee for a job well done!

The 2014 DCA national is history. It was more than 2 years in the making with dozens of people working hundreds of hours to make it a success. But it didn't always feel like work. After all the big issues were under control and we could see the light at the end of the tunnel, it started feeling more like we were organizing a party for a few hundred of our friends than work. And that's the spirit in which the members of Puget Sound and Mt Hood Dalmatian Clubs and the DCA Show Committee worked together to make Waggin Tails West a fun and memorable national. We hope you enjoyed it.

Please join me in thanking our dedicated 2014 DCA National Specialty Committee. They are the all-time best, hardest working, and most talented group of volunteers I've ever had the opportunity to work with. Each and every one of them went beyond the call of duty to make the specialty a great success. We also want to thank Sheila Wymore, chair of the DCA Steering Committee for her guidance and Toni Linstedt our Finance Chair for the never-ending help she gave us all. Thank you and see you in Ohio! -Patti Strand
